Profile

Hey, I'm a highly skilled and self-taught web developer proficient in HTML, CSS and JavaScript. Having a solid catch in ReactJS with over 6 months of practical project building experience and other cutting-edge frontend technologies and frameworks. As well as demonstrated expertise in backend technologies such as Node.js and Express.js, effectively delivering robust and scalable solutions. I'm constantly seeking new opportunities to expand knowledge and improve skills to ensure outstanding performance in web development.
